About our Event

The East Riding Wagon Rally will start from Beverley Lichfield Market on Sunday 20 February 2024.

Rally cars have access to the A16 following their specially prepared 14 stage rally route to compete on closed roads in the 2024 season being in aid of the Prostate British Rally Championship.

The Rally will have 10 competitive stages, 4 days, 1000 miles and 100000 spectators. The roads will be open again.

The Rally is authorised by the governing body of motorsport in the UK, Motorsport UK, and has been planned in close liaison with the local councils, emergency services, local residents and East Yorkshire County Council.

Some roads will be closed during the Rally and we appreciate that this may have an impact on residents during that period.

The next event is that the road closures will only be in place for one day, Sunday 20 February.

The organisers, Beverley & District Motor Club and our competitors are very grateful to all the residents of Beverley and the East Riding and we hope that you enjoy the spectacle of this closed road rally.

About the Road Restrictions

Advance warning signs will
be displayed before the
road, and the route will be man-
aged on the day.

Once the Road Closure time has
passed, you must not walk, cycle,
ride or drive on the closed road.

Residents should be able to
access and leave their property at
the pre-planned times shown in
the Resident Handbooks.

If you receive the route and have
not received a Resident Hand-
book, please email
enquiries@yep.ac.uk

In an emergency you should call 999

We work with the emergency
services in Hull HQ to manage
any incidents during the road
closures, including stopping the
rally to allow emergency access,
or in the event of an emergency
call 999 as normal.

Get involved

Beverley & District Motor-Club is
a volunteer organisation that
welcomes anyone who would like
to get involved in motorsport.

To find out more, come along to
a club night, holden Thursdays at
the Bay Horse in Cherry Burton, or
